

Government Services

The **Plus** Group, inc.

“Helping Staff America”

Your business is highly specialized. So you demand a partner specifically dedicated and trained to support government related programs. That partner is The Plus Group.

Experienced Project Support

The Plus Group focuses on supporting federal, state, county and regulated industries with long-term staff augmentation and contractor-directed projects. We service both commercial and government contracts and are one of the country's largest, most diverse and successful government staffing contractors.

Best Value Solutions

At The Plus Group, we provide options that are significantly more cost effective than traditional solutions.

With our combined resources, The Plus Group provides project support for technical, environmental, light industrial and administrative work groups:

- Vendor Managed Work Teams (on- and off-site)
- Project Management and Coordination
- Long-Term Staff Augmentation
- Temporary Contract Labor

Focused Government Services

As government contract specialists, The Plus Group has developed a dynamic infrastructure of support services that specifically address your work environment.

Regulatory

Experienced with Service Contract Act, Davis-Bacon Act, Cost Accounting Standards, wage determinations, security, safety, DOT drug testing, ERISA pension requirements, EOE and OSHA requirements.

Recruiting and Human Resources

Established network of personnel with government security clearances, customized recruiting and qualification, orientation, employee relations, management reports, benefit and contract administration and accounting support.

Project Implementation and Management

Expertise to maintain integrity of existing operations while quickly establishing operational procedures and controls to ensure long-term efficiency and security.

By choosing The Plus Group's Government Services, you ensure viable and compliant solutions for all your staffing needs. Our commitment is to provide quality, cost-effective contract support while creating long-term partnerships.
